General Information

Mail and Phone

In extreme emergencies you can call the camp and leave a message for your Scout to call home, be sure to tell them they're with Troop 179. We do not recommend sending mail to the Scouts since it usually takes several days to get through the US mail offices and the camps mail distribution. Please use discretion in deciding to mail a letter, if something must be mailed or shipped because it was left behind, we provide this information.

The camp's address is:

(Scout's Name)
Troop 179/Silver Springs
Cole Canoe Base
1356 E. Greenwood Road
Alger, Michigan, 48610

The camp's office number is: (989) 873-1516

The Camp's Fax number is: (989) 873-1517

Transportation

Summer Camp always has a lot of equipment to haul so every parent is asked to help with transportation of the Scouts to and from camp by driving one way or the other. If you are planning to drive to camp, you should plan on arriving at camp by 12:00 noon on Sunday for check-in. If you will drive home from camp, the closing Court of Honor is at 11:00 a.m. on Saturday and we depart about noon. You should plan a stop for lunch at a fast-food restaurant for the Scouts to purchase lunch on both trips and the Scouts should have money to purchase their own lunch with them. If you have transportation or registration concerns contact Lisa Hayes, (248) 471-2691, t179transportation@gmail.com.

Adults at Camp

The Scouting America's policy states that any Scout or Adult spending a night at Summer Camp must be registered with the Scouting America and have a BSA Health Form A, B, & C. Leaders (21 or older) must also apply for a clearance letter from the State of Michigan Department of Human Services. Any adult (18 or older) wishing to help staff Summer Camp this summer should talk to Scoutmaster, Chuck Williams at a Tuesday night meeting. He will help to find a job in our Troop or Crew that you will fit into and make sure that your BSA membership is secured along with the State of Michigan DHHS Clearance.

Scouts Leaving the Camp

We always keep track of where the Scouts are very seriously. For this reason, we ask that no parent should ever remove their son or daughter from camp without first checking in with our leader in charge. No person may remove a Scout from the camp without their name appearing on the National Health Form (authorization section on part A).

Health Forms & Medications

Every Scout and adult attending camp must have a current National Health Form Parts A, B, & C (No Exceptions). This form is renewed annually by a physician. New forms are available at the Scout meetings and on our web site. All medications must be checked-in with the Health Officer during medical checks on Sunday. All prescription drugs (including those needing refrigeration) are to be locked up. An exception may be made for a limited amount of medication to be carried by a camper, leader, or staff member for life-threatening conditions, including EpiPen's, heart medication and inhalers, or for a limited amount of medication approved for use in a first aid kit. Campers that are going to be taking medications need to have filled out the "Parent Medication Control Permission Form" include with this enough medication for the week in the original bottle (your pharmacist can help you by making out a special labeled bottle for camp). Put everything in a gallon sized zip-lock bag and use a marker to put the campers name on the outside of the bag. We will have our own Health Officers in camp to make sure that the medications are distributed using the instructions you give us on the form.

What Not to Bring

There are many common items that are not recommended bringing to camp that distract the Scouts and can serve to get them in trouble. These include expensive items such as phones & tablets, (see paragraph below). Other items are water guns, fixed blade knives and aerosols of any kind.

Valuables

Troop 179 and camp will not be responsible for valuables brought to camp. We suggest that you do not bring them. However, if you must, you may want to consider bringing a trunk or suitcase that can be locked. For the Scout's convenience, they may deposit their money at the Troop Bank in the adult camp, the bank will be available twice a day just prior to the flag assemblies (please place the money in an envelope with the Scout's name on it; singles are best). Many Scouts like to hold onto their money but regret their decision after the money is lost or stolen. As with any valuable item, the fewer Scouts that know you have it, the less likely it will be bothered with, so keep your stuff to yourself.

While at Camp

Homesickness

TIPS FOR PARENTS TO HELP US COMBAT HOMESICKNESS:

If a Scout calls home, ask to talk to a Scoutmaster to get the facts. (Scouts sometime embellish the situation to get sympathy i.e., "Someone is being mean to me." "The food is bad." "I don't feel well.") Talk to the Scout about the positive experiences they have had as well as those they can look forward to. Encourage them to continue and let them know how proud you are of them. Don't write to your Scout telling them how much you miss them and don't send special items or food to camp. If you are in camp, try to stay away from your Scout and their activities, let them know that you are there to help the troop and that they should continue to work with their leaders.

The law of camp is the Scout Law!

A Scout will be asked to return home if the following policies are broken:

- Possession, consumption, or being under the influence of alcohol or dangerous drugs.
- Illegal, immoral, or other activities considered unacceptable by society.
- No Scout should be in a tent or facility other than their own (Scouts may not enter another Scout's tent EVEN when the other Scout has invited them, no exceptions).
- The BSA respects the privacy of Scouts and leaders but reserves the right of its leaders to enter quarters and/or duffels during reasonable hours, when necessary, for repair, maintenance, fire safety inspections, or to ensure compliance with BSA regulations and policy.

Venture Recognitions

Cole supports many of the Venture Recognitions; whether you are on a track to earn Ranger or one of the other Venturing Awards they will help you with signing off requirements. The troop will also present a Venture Conservation project during the 9:00 session. All Ventures must sign up for the Venture Conservation Project unless they have gained the permission of the Adviser.

Scout, Tenderfoot and Second-Class Scouts

The program that is designed for Scouts who have joined Troop 179 in the six months prior to summer camp is Camp Tenderfoot. The basic skills of Scouting are incorporated into a program of fun and adventure as it orients the new Scout in the ways of Scouting and helps them along the path to First Class. We concentrate on working on requirements, having fun, learning about Scouting, and getting to know our Patrols and Troop members. The Scouts will be learning the skills that may be applied toward meeting requirements for the Scout, Tenderfoot, Second Class, and First-Class ranks. For Scouts who need to work on these early ranks that have been with the troop for longer than six months there is a session called "Scout Skills" where the Scout will have the opportunity to work one on one so that they can meet the specific requirements they need to earn their rank.

First Class, Star, Life, and Eagle Scouts

Scouts and parents need to keep in mind that earning the rank of Star, Life, and Eagle is much, much, more than earning Merit Badges. There are requirements that deal with Participation, Scout Spirit, and Positions of Responsibilities; it is these requirements that the Scouts will be able to spend the most time on accomplishing. These requirements are what make up the essence of each of the ranks and what tells us, has a Scout really earned the right to hold the status that comes with the ranks they are going for. There is no other activity like Summer Camp that allows the Scouts to work on these requirements and hone their abilities to understand their esoteric meanings. The Scoutmasters at camp will be available to give conferences for ranks throughout the week. Boards of Review will also be available for ranks. The key to successful advancement at summer camp is to plan for it. Prior to going to camp a Scoutmaster will meet with each Scout to help create a plan for advancement.

Merit Badges

Cole Canoe Base offers many different merit badges to choose from; added to that Troop 179 will also have merit badges available at our campsite. After the Scout has signed-up for the Merit Badges they should next secure a current copy of the BSA Merit Badge Pamphlet. One of the best tools for earning a Merit Badge are the worksheets available at Merit Badge Worksheets (usscouts.org). Most Merit Badge Counselors recommend using the worksheets to keep organized. Beginning in June, our Troop leaders will meet with the Scouts for their first Merit Badge session.

Whether a Scout returns home with a completed Merit Badge, or a partial is most often dependent on whether they have completed the pre-camp work assigned by the counselor. Merit Badges are earned with the advice of the Scoutmaster. The list of Merit Badges on the Instructional Schedule has been recommended by the 179 Scoutmaster.

Suggestions for Scheduling Your Day: Keep in mind that most Scouts only have time prior to camp to complete three to four merit badges. While there are six slots of time, filling them all with merit badges is not necessarily going to be successful. Pick your merit badges, then start now work the merit badges until you have mastered the skill or knowledge contained within. Throughout the day there are free time activities and you do not need to register for them specifically.

Keep in mind that all Axmen and Paul Bunyan Patrol members will have a slot for leadership (see Scoutmaster Chuck Williams). Scouts BSA (including new Scouts) will use the 11:00 time slot for service time and activities. Venturers will use the 9:00 time slot for their conservation projects.
